

## Lesson 6: 8th-10th Commandments

### Video preparation

Watch [Pastor Brett Simek](#) discuss the 8th, 9th, and 10th Commandments with your child BEFORE he or she attends class. Work through the questions together.

After you have watched this video together, discuss the target questions for this lesson:

How does sin break stuff?

How does it affect even the stuff you can't see?

Discuss these questions with your child AFTER confirmation class.

Talk to your child about times that he or she may have spoken falsely or unkindly about another person. How does your child think this affected that person? If he doesn't think it had an effect, have him imagine if this was said about himself and how that would affect him.

What about when we have the desire to speak truthfully, but unkindly, but our enemy? Discuss what the 8th Commandment says in the situation. How would your child handle this situation? How would you?

The 9th and 10th Commandments are about contentment. How do you attempt to model contentment of your possessions to your children?
