

## Lesson 3: 2nd and 3rd Commandments

### Video preparation

Watch [Pastor Brett Simek](#) discuss the 2nd and 3rd Commandments with your child BEFORE he or she attends class. Work through the question together.

After you have watched this video together, discuss the target question for this lesson:

How do we relate to God?

Discuss these questions with your child AFTER confirmation class.

As parents, we use the three uses of the law with our children. Discuss with your child examples of how you use each use: curb, mirror, and guide, in your parenting.

If you are comfortable, ask your child to share some idols that he or she may struggle with. When your child is done, you may share some idols that you struggle with.

No one keeps the command “You should fear and love God above all things” except Christ Jesus. Because Christ held this commandment perfectly and suffered for us on the cross, we have forgiveness for this (and all) sins. As parents and children, how can you work together in love and forgiveness when you see each other struggling with this commandment?
